

# All Together Now™

## SUMMER READING PROGRAM Reading Log

**Color in a honeycomb for every day that you read.**

Every 5 days of reading equals 5 beads and a brag tag to add to your summer reading chain; you can submit 5 days at a time, or all together when you're done!

Once you've read on 25 different days, visit the library to grab your free ticket for a pool party at Calypso Cove, a coupon for a free visit to the Kentucky Science Center, a free book, and to be entered into the grand prize drawing of your choice!

**All reading logs are due by August 12.**

**Leave blank  
for a library  
sticker!**
