Volunteer in LaGrange's Community Pollinator Garden

Our LaGrange Branch needs help from our community to keep our new pollinator garden growing. Get involved by signing up for a week where you can dedicate 30 minutes to weeding the garden, entirely on your own schedule! Volunteers are welcome to come in groups or families as well to help out. Sign up for just one visit, or as many weeks as you'd like! No need to be an expert at identifying plants. We'll get you all the information you need and even join you for your first week to get you started.

For more information and to sign up to volunteer, visit www.bit.ly/OldhamPollinatorGardens
